

8.5W & 13.5W  
OMNI-DIRECTIONAL  
BULB

## What are they... and why should you purchase them?

FIRST® Green e-watt saver light bulbs are the newest energy-saving technology for the home. Unlike other energy-saving bulbs, these bulbs feature LED technology.

- Omni-directional design.
- 8.5/13.5 Watts – 80% more efficient than comparable 40/60 Watt incandescent lamps.
- Maintenance-free operation; lasts over 33 times longer than conventional lighting.
- RoHS compliant – contains no mercury or lead.
- Warm 2700K color temperature
- Dimmable

Most importantly, your purchase helps support the activities of your local FIRST® robotics teams comprised of high-school-aged youth from the area. The hundreds of local FIRST Participants, Coaches, Mentors, Volunteers, and Sponsors **THANK YOU FOR YOUR SUPPORT!**

## What's **FIRST**®?

FIRST® is a not-for-profit organization that designs fun, motivational programs to help young people aged 6-18 discover and develop a passion for Science, Technology, Engineering, and Math through challenging robotics competitions. The mission of FIRST is to inspire youth to be the science and technology leaders of tomorrow by engaging them in exciting Mentor-based programs that build their skills, inspire innovation, and foster well-rounded life capabilities including self-confidence, communication, and leadership. Over 250,000 students and 100,000 adult Mentors and Volunteers from more than 50 countries participate annually. FIRST students qualify for nearly \$15 million in college scholarships. All competitions culminate at the annual FIRST Championship.

*Supported through the generosity of over 3,500 corporations and organizations worldwide and individuals LIKE YOU! THANK YOU!*
