

IMPACT: ENABLING CAREERS IN SCIENCE & TECHNOLOGY

Compared to a group of students with similar backgrounds and achievement in high-school math and science:

FRC alumni are 10 times more likely to have had an internship or co-op job in their college freshman year.

FRC alumni are more than twice as likely to expect to have a science or technology-related career.

“FIRST isn’t about building robots, it’s about developing life skills. The kids learn skills in relationships, teamwork, finance, fundraising, budgeting and project management. The partnership between academia, the community and industry...will build our future employees and future citizens.”

Steve Sanghi

Chairman of the Board, President & CEO, Microchip Technology
Member of the FIRST Board of Directors
