Order	You must pay before you can purchase a kit. <i>Payable to LEGO Education.</i>		

In order to register for this year's tournaments, you must agree to the following payment terms.

Payment Terms

**COST:** \$275.00 US Participation in up to three Championship Tournaments in the 2011 season.

**TERMS:** The FTC Program registration fee is nonrefundable. Registration fee must be received by FIRST Finance before your team is eligible to compete in your first event. World Championship Event information will be released later in the season. Payment can be made by check, credit card, or purchase order from school. One of these forms of payment must be received before your team will be allowed to compete.

**TOURNAMENT INFORMATION:** Events will be listed on the FIRST website ([www.usfirst.org](http://www.usfirst.org)) beginning September 13, 2011.

A Local or League Tournament is a small event run by volunteers in your area. The events are usually anywhere from 3 to 20 teams, and generally do not have to give out awards or perform judging. These tournaments do not qualify teams to attend the FIRST Championship Event in Atlanta, but are used for practice and 'fun' play.

A Qualifying Tournament is held in areas where the Championship Tournament in that area is expected to reach full capacity. This type of event allows teams to compete for spots at that Championship Tournament. Qualifying Tournaments include judging and awards are given to teams.

A Championship Tournament is the largest (and possibly only) tournament in an area. This type of event abides by certain standards in format, judging, awards and overall quality of the event. Your area's FIRST Tech Challenge Affiliate Partner is directly responsible for running your local Championship Tournament. Some Championship Tournaments may require that teams win at a Qualifying Tournament in order to participate, simply because of size restrictions.

FTC Affiliate Partners reserve the right to limit the numbers of teams attending any of these tournaments, and the right to limit registration to teams residing in their state or region. FIRST nor the local FTC Affiliate partner can guarantee a tournament in your area, even if you have registered with FIRST.

**REFUND POLICY:** The FTC Program registration fee is nonrefundable. FIRST is not responsible for cancellations or the inability of a team to travel due to weather, threat of terrorism, act of God and other events beyond FIRST's control. We are sorry, but there will be no exceptions.

PAYMENT POLICIES:

1. Check or Money Order	Made payable to: FIRST Addressed to: FIRST Attn: Finance 200 Bedford Street Manchester, NH 03101  Note: Clearly indicate your FTC Team Number (as FTC xxxxx) in the Memo on check.
2. VISA, MASTERCARD, or American Express:	Option 1: Online payments are available through FIRST Tech Challenge TMS Payment section. The system will accept payment for full amount or balance. Option 2: To pay by phone, call FIRST Finance at 1-800-871-8326 ext. 400.
