The **FIRST**® Robotics Competition: **VOLUNTEERS**

“I welcome the opportunity to encourage everyone I meet to get involved with FIRST as a Volunteer, a Mentor, or by supporting a team. The rewards are simply too immense to summarize in words...”

Nicole Collazo

“Robotics is not just about the manufacturing of a robot, it takes community involvement and teamwork. It is not just our school’s robot, it is our town’s robot. It stretched beyond even that. The experience I enjoyed from FIRST robotics has been totally awesome!”

Oliver Mutton
Student
Port Perry High School
Canada
